Thank you to all the Mums, Dads & teachers/staff who support our canteen. Sadly, our prices must change due to increasing costs from our suppliers.

I understand your frustration each week

– with price difference...but the school

Website menu is an old menu. We

(canteen) are working off the Skoolbag app.

I hope this menu is easier to understand, and yes, it will change again as I hope to serve sushi and rice paper rolls at beginning of 2018. If this is something your child may like (or you have suggestions) please let me know.

Cheers,
